

A MESSAGE FROM THE ALUMNI CLUB PRESIDENT

Brothers,

I hope that you all are having a wonderful summer and having a chance to enjoy being outside. With the summer drawing to a close, there are lots of future activities for the Alumni Club planned.

First off, I would once again like to congratulate all of the recent graduates this past Spring as well as the few that are about to graduate this upcoming weekend. I am looking forward to what each and every one of you will bring to the Alumni Club. With this class, we should finally be able to break the 30 member mark!

Hopefully, with the increasing membership numbers, our participation and quantity of events will continue to rise. This upcoming year, there are already many ideas floating around on how we can continue to improve the group and create more functions. I would like to challenge everyone to suggest ideas or go beyond a suggestion and head the committee for a future event/gathering. Last year, the couple official events we had we of great success.

Finally, I would like to pass on some House Corporation information. Matt Bartch has been doing a fantastic job this summer putting together a housing plan and we are in the process of securing an architect and moving forward in discussions with USC. The next couple of years will an exciting time for both the SC Alumni and the Undergraduate members of Gamma Triton.

Damn Proud!

Shonk Leadership School & Lowe Volunteer Conference

Dear Alumni,

Brothers, I am Damn Proud! to report to you that the gentlemen of South Carolina had a phenomenal trip to Nashville, Tenn. for the Phi Sigma Kappa Al Shonk Leadership School and Lowe Volunteer Conference.

For the second time in four years, the Gamma Triton Chapter received the coveted Herbert L. Brown Outstanding Chapter of the Year Award, most commonly known as "The Herbie." Winning "The Herbie" is no easy task - it takes a year-long amount of dedication and hard work.

But it also takes a wide array of alumni that can give a little time and energy by helping to advise the chapter in a wide range of matters. This is something that Gamma Triton Alumni set the standard in.

At this past year's Leadership School, Gamma Triton alumni were front and center in the planning and presenting of the conference. Erik Sederstrom '08 was recently hired by IHQ and was an integral part of planning and logistics while I was able to give a seminar on Motivating Your Chapter.

The PSK Alumni Club of South Carolina has more active young alumni than any other alumni group in the country - three members under the age of 30 have already achieved Fourth Degree Status and one more will be rising to the Fourth Degree soon.

By simply staying an active member in the alumni club and encouraging your brothers to be active members, we can be a stronger alumni club that can better advise and support a growing chapter in Columbia.

With your support and/or involvement with the Phi Sigma Kappa Alumni Club of South Carolina, the Palmetto State will continue to be the shining star in the Phi Sig Brotherhood. Damn Proud!

Fraternally,

Patrick Walsh

A MESSAGE FROM THE GAMMA TRITON CHAPTER

Hello! As always, I am DAMN PROUD to have the opportunity to speak to all of you on behalf of your beloved undergraduate chapter. I hope that this note finds you all well as another Gamecock football season approaches. Please do not hesitate to contact me if you all might be in town and able to come by the tailgate!

It has been a fantastic year thus far for Gamma Triton. At the USC Order of Omega Awards Ceremony, we brought home multiple accolades. The Chapter of Excellence and New Member Class Award of Achievement were won as a chapter, but Brothers Erik Sederstrom and Michael Williams brought us individual awards as well. Erik was honored with the Fraternity President of the Year Award and Michael as an Outstanding Greek Senior Advocate. Please congratulate these brothers!

In addition, as many of you may know, Brother Sederstrom was also signed on as Fraternity Operations Specialist at the International Headquarters in Indianapolis. This is a true honor as few brothers are selected to live out this calling and truly serve their fraternity at the next level. At the same time, we are all very lucky to have Brother Sederstrom as I am certainly confident he will lead our national organization in the right direction.

Recently this year, Brothers Morford, Fogg, Huang, and myself traveled to Indianapolis for our bi-annual Leadership School. Our brotherhood had high hopes for Awards Ceremony success after the many achievements at the USC Order of Omega, an extensive awards packet, and a great coming-together of the brotherhood at the closing of the academic year. Gamma Triton was not to be disappointed as we were awarded the Herbert L. Brown Outstanding Chapter Award, an accolade not won by the chapter in many years.

Your undergraduates begin the ever-important Rush Week from August 17-21 and expectations are high after a spring initiation class of 14 men. We would like to all thank you very much for the generous donation that made our Brotherhood Workshop possible. Attendance was at a record high and, in the coming months, we hope to have more all-chapter brotherhood events to keep the positive momentum going. We really appreciate all that you do to keep the undergraduate chapter successful. You all are not thanked enough.

I look forward to seeing you all this fall during a big-time bowl season. Go Gamecocks!

Damn Proud,
Brother Bartch
Chapter President

GET A TAX DEDUCTION FOR YOUR DONATION!

Want to give to the chapter but looking for that tax deduction? You can donate money to the Phi Sigma Kappa Foundation and earmark it for "Gamma Triton Educational Expenses" and get what you want!

Donations to the PSK Foundation are tax deductible and money earmarked for "Gamma Triton Educational Expenses" can help save the chapter money to required expenses like Leadership School, Convention and Conclaves.

Please contact Ange Cahoon of the IHQ Staff for more information.
