Celebrating Brotherhood, Scholarship and Character in the Palmetto State

February 2009

A MESSAGE FROM THE ALUMNI CLUB PRESIDENT

Brothers,

I hope that everyone is having a great start to the 2009. I would first like to announce that Sean McGreevey has accepted a position as Director of Residence Life at Young Harris College in Georgia. With this job change, he will be leaving his role as Chapter Advisor. We are sad to see Sean leave and cannot thank him enough for all of the work he has put into making Gamma Triton what it is today. Thank you Sean! I think it is safe to say that the chapter would not be where it is today without him. Since he will be moving, an advisory board is being created to assist the chapter. The details of this board are still being worked out and more details will be updated on the website as things are decided on and approved by Nationals.

Along with most Alumni, I am excited about our next event coming up—Carolina Cup! We are partnering with the undergraduate chapter again to ride the buses and share a space with them. We are hoping to fill 20 spots with alumni and really make the event fun! Check out the website for more information or contact either Matt Barch (314.420.9180) or John Mecke (313.618.7410). *Remember: To reserve a spot as an alumni, you must have paid your Alumni Club dues.*

Finally, I would like to congratulate Kyle Gilbert for his recent graduation this past December! Including Kyle, our membership should now be up into the 30s. *I would encourage everyone to pay their dues.*

Damn Proud!

Fraternally,

Kent Krieg

A MESSAGE FROM THE GAMMA TRITON CHAPTER

Alumni and Friends of Phi Sigma Kappa,

I hope this newsletter finds you all in good spirit and health. As the New Year kicks off, the newly elected Executive Board officers and I look forward to applying our goals to help Gamma Triton prosper and grow within the confines of the cardinal principles during the year to come.

The month of January was a successful one for Phi Sigma Kappa at South Carolina. The Chapter was already awarded its first honor of the year, IFC Fraternity of the Month. The award was based on our participation in service opportunities, recruitment numbers, and last semester's statistics. Plus, to cap off the month of January, Phi Sigma Kappa was recognized for one of the higher new member GPA's. As you can see, Gamma Triton remains active and involved at the University of South Carolina.

During Spring Recruitment 2009, our Chapter managed a 16-man new member class! This new member class proved to be one of the top groups at USC and we are very proud of not only the quantity of associates, but the quality of the individuals in terms of character and scholastic excellence. As Chapter President, the most proud element of this recruitment was the passion and hard work the Chapter exerted to bring them into our organization.

The month of February will provide even more successful as the Chapter participates in Dance Marathon 2009. Our chapter has paired with Alpha Delta Pi Sorority in an effort to continue our ambition to remain consecutive Miracle Cup winners. At the end of the month, the chapter is looking forward to another fun experience at our annual brotherhood retreat organized by our Brotherhood Chairman, Sam Bacon.

As I begin my term as the chapter president, I plan to use all our Chapter's resources and develop all policies and efforts necessary to structure and position our brotherhood to encourage and maintain values towards academic achievement, brotherhood among all, collective decision making, and an organized and active chapter. I am honored to focus my time, talents, and leadership experience to this brotherhood.

The Gamma Triton Chapter of Phi Sigma Kappa thanks you for your continued support and looks forward to seeing you this spring!

Fraternally,

Raymond R. Curbelo
