

A MESSAGE FROM THE ALUMNI CLUB PRESIDENT

Brothers,

This has been an exciting fall for the alumni club! We successfully completed our membership campaign by sending postcards to over 360 alumni living in South Carolina. We have received many responses and anticipate more every day.

In addition to writing to alumni across the state, we have created a monthly "Phi Sig Wing Night" in Columbia and are hoping for one soon in Charleston. At these dinners, local alumni will have the opportunity to meet others, as well as serve a fundamental role in our alumni base for the Gamma Triton Chapter at the University of South Carolina.

The alumni club has recently been working with the Gamma Triton President and Alumni Chair on getting the alumni involved in the PSK Homecoming tailgate and ritual events. These events will be an excellent occasion for us to meet the younger brothers and share our past collegiate memories. At the ritual events, you will also be able to re-experience the excitement and secret traditions of our founders created 133 years ago.

Lastly, I would like to encourage you to become an active member of the alumni club. By becoming a member, you are helping secure our club's presence among the other alumni clubs, as well as serving the Gamma Triton Chapter and Grand Chapter.

With your dues, you will become a member of the national Sustaining Members program and will begin receiving the Signet, Phi Sigma Kappa's national newsletter. In addition, your dues will locally contribute to scholarship awards rewarding undergraduate members for their dedication to the cardinal principles of Brotherhood, Scholarship, and Character.

I look forward to meeting you in the future.

Fraternally,

Kent Krieg

**A MESSAGE FROM THE
GAMMA TRITON
CHAPTER**

Dear Alumni,

I hope this letter finds you in good health. The Gamma Triton chapter is doing great and her future is looking bright. This Fall Rush went phenomenally well as we recruited more young men than any other fraternity on campus. With an associate class of 18, we are glad to say that recruitment is still alive and well at the University of South Carolina.

I am also happy to announce that the Brotherhood wisely voted to form a third annual associate class to help recruit and build our already swelling numbers. This new associate class will begin in November and their initiation would be in March. The Chapter feels this is a wise step in the right direction to increase recruitment and expansion.

As in years past, Gamma Triton made a strong showing at the Leadership School this past summer in Indianapolis. We were proud and honored to receive awards for 'Campus Involvement', 'Scholarship', 'Chapter Operations', and last, but definitely not least, 'Chapter Advisor of the Year'. This award went to Gamma Triton's very own, Sean McGreevey for his outstanding leadership and work for the fraternity.

As you can see, Gamma Triton is marching ahead into the future with strength and determination. Recruitment and expansion are at the forefront of our thoughts as we continue to grow and multiply. I have great hopes and dreams for Gamma Triton, which will come to fruition in the future thanks to the fine young men we recruit today and the Alumni support you are providing.

As always, Damn Proud!!!

Faternally,
